Victory for a Greener World!

Dear Members,

We are pleased to announce that The Singapore Island Country Club (SICC) received the Green Hospitality Award at the Singapore Environment Achievement Awards (SEAA) 2023. Ms Grace Fu, Minister for Sustainability and the Environment, presented the awards at the event held on 17 August 2023 at Pan Pacific Orchard.

The SEAA remains one of the most prestigious environmental awards in Singapore and recognises the overall environmental stewardship by organisations. The award supports the Singapore Green Plan, which seeks to rally and inspire to take action on environmental initiatives.

The Green Hospitality Award honours hospitality and leisure organisations that have made remarkable contributions to environmental sustainability and corporate social responsibility. Organisations are assessed on their exemplary environmental practices in these four key aspects: Systems and Management, Performance (Environmental), Leadership & Advocacy, and Award Category Specific Initiatives.

"This prestigious award is an affirmation of SICC's unyielding commitment to drive a meaningful transformation of the Club by embedding sustainability programmes across our Club operations and community engagement efforts. We are only at the beginning of our sustainability journey and are grateful that these measures have paid off. This will encourage us to set even more ambitious goals in the future." Vincent Wee, SICC President.

"As the new General Manager of the Club, I am impressed by the tremendous effort put forth by the team and Members collectively to achieve our sustainability goals. I look forward to working with all stakeholders to further develop and expand on what we have already achieved in our sustainability programme and practices." Ian Geoffrey Roberts, SICC General Manager

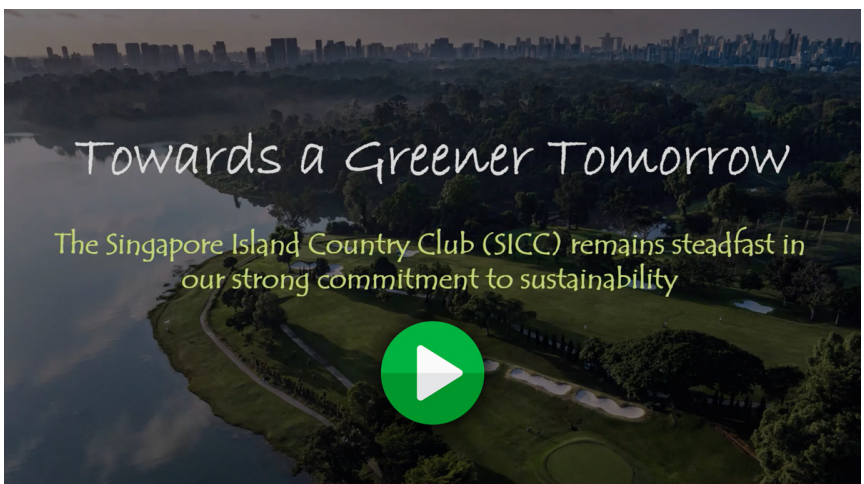

Over the last few months, we have been encouraged by your kind words and we are grateful for your support in the Club's ESG initiatives.

The Club remains steadfast in our strong commitment to sustainability, and together we can help to make a positive impact on the environment and community.

We love new ideas. If you have any suggestions for our ESG journey, please feedback to gogreen@sicc.org.sg.
