Common Pulai (Located near The New Course, Peirce Hole 6)

Jelawai Jaha (Located near The New Course, Peirce Hole 5)

1st Anniversary - Winner of the SEC SEAA 2023 Green Hospitality Award (MNC Category)

Last year, in recognition of its sustainability journey, SICC was awarded the Singapore Environmental Achievement Award for Green Hospitality (MNC) in 2023.

Key Factors Supporting the Award

GEO Certified

Island (2023) & Bukit (2022): Recognition of SICC's environmental and social commitment.

Heritage Trees

Safeguarding and promoting appreciation of Singapore's natural heritage.

Sustainable Practices & Operations

Taking responsibility to minimise our environmental impacts.

SICC remains committed to forging new paths in our sustainability efforts.

SUSTAINABLE DEVELOPMENT GOALS

TOGETHER WE CAN MAKE A DIFFERENCE

Members of the United Nations pledged to implement 17 Sustainable Development Goals (UNSDGs) - a shared blueprint for advancement of a sustainable, inclusive and just society.

SICC has aligned our sustainability journey with these goals and has recently gathered sustainable initiatives that cover 11 UNSDGs.
