

Social Sustainability

involves addressing key social issues through fostering inclusivity and social cohesion, empowerment and equitable access to resources and opportunities.

Human rights

Ensuring equal opportunity and reducing inequalities of outcome for all, irrespective of age, sex, disability, race, ethnicity, economic or other status.

Community development

Supporting local communities to empower the social, economic and political inclusion of all.

Labour practices

Respecting workers' rights by providing fair wages and adopting safe and healthy working practices for all workers to excel and perform.

SICC is committed to social sustainability, and we believe that it is important to create a more just and equitable society for all. We invite you to join us in our efforts to make a difference.

Members of the United Nations pledged to implement 17 Sustainable Development Goals (UNSDGs) - a shared blueprint for advancement of a sustainable, inclusive and just society.

SICC has aligned our sustainability journey with these goals and has recently gathered more than 125 sustainable initiatives that cover 9 UNSDGs.
