

Proudly Supporting Singapore's Farming Future

SICC's efforts in procuring local produce and supporting local farms have been recognised by the Singapore Food Agency as part of its Farm-to-Table Recognition Programme (FTTRP).

SICC joins a growing national movement to strengthen Singapore's agri-food ecosystem. Through the FTTRP, we actively contribute to food security while celebrating the pride and resilience of our local farms, in hopes of creating more meals that honour the connection between the land, its farmer, chef, and diner.

This pledge to sustainability and culinary integrity comes to life in our kitchens, where fresh, local ingredients are transformed into crowd favourites like Wok-Fried Hor Fun with Sliced Fish and Thick Egg Gravy.

SUSTAINABLE DEVELOPMENT GOALS

SICC is committed to social sustainability, and we believe that it is important to create a more just and equitable society for all. We invite you to join us in our efforts to make a difference.

Members of the United Nations pledged to implement 17 Sustainable Development Goals (UNSDGs) - a shared blueprint for advancement of a sustainable, inclusive and just society.

SICC has aligned our sustainability journey with these goals and has recently gathered more than 125 sustainable initiatives that cover 9 UNSDGs.
