

DIGITAL ANNUAL REPORT 2022

Since 2021, as part of our sustainability efforts to reduce our carbon footprint, we have been taking steps to reduce the printing of the Annual Report, Islander Magazine, and Club notices.

We are pleased that many Members have been supportive of the Go Green initiative and had offered valued suggestions on how the Club can do more.

This is a reminder to all Members that the Club will not be sending physical copies of the Annual Report 2022 to Members. Members will be able to view the Annual Report in our Mobile App or Website. In addition, going digital with the Annual Report will help reduce printing, mailing and postage costs.

For Principal Members who wish to continue receiving the hardcopy Annual Report 2022, please be reminded to update your communication preferences through your profile on the Mobile App or Website. If you are unable to do so, please contact the Membership Department (membership@sicc.org.sg). Once again, we thank you for supporting SICC's sustainability efforts.

For suggestions on other sustainability efforts in the club, please email gogreen@sicc.org.sg.

Together, we can make a difference.
