

AN ELECTRIC VEHICLE PRODUCES THREE TIMES LESS EMISSION THAN AN INTERNAL COMBUSTION ENGINE VEHICLE

**Join us in our sustainability efforts at the 7 EV charging stations available at the Club.
More charging stations will be added, stay tuned!**

SUSTAINABLE DEVELOPMENT GOALS

Members of the United Nations pledged to implement 17 Sustainable Development Goals (UNSDGs) - a shared blueprint for advancement of a sustainable, inclusive and just society.

SICC has aligned our sustainability journey with these goals and has recently gathered more than 125 sustainable initiatives that cover 9 UNSDGs.

TOGETHER WE CAN MAKE A DIFFERENCE
